Convenient Pharmacy Locations - Our broad pharmacy network includes all national chains and most local pharmacies. Please refer to your benefit documents for copay information for prescriptions filled at retail pharmacies. Save the most money by choosing generic medications when possible.

Save Time with Mail Delivery - Our mail delivery service allows you to receive your long-term or maintenance medications through the mail. You can have your medicine delivered to your home, doctor's office or anywhere you choose. Our mail order pharmacies are staffed with friendly pharmacists who can answer your questions or speak to your doctor if needed.

Hands-on Care for Your Specialty Medication Needs - If your treatment plan calls for specialty medications that require special handling, our specialty pharmacy service offers the high-touch, hands-on service that is needed. Our specialty pharmacy provides services for chronic and complex conditions such as multiple sclerosis, rheumatoid arthritis, cancer, hepatitis, and others.

Organize Your Medication with Your Personal Website - Included in your pharmacy benefit is free access to a private and secure website.
